VOLUNTEER'S WAIVER OF LIABILITY & ASSUMPTION OF RISK

In exchange for being allowed to participate in the Living Arroyos 2018-19 Program ("the Event"), and to gain the benefits of participation in the Program, I, and, if my child is a minor, my child ("Participant") agree to enter into the following Waiver of Liability & Assumption of Risk:

1. Participant will not be compensated for services provided at the Event;
2. Participant will perform tasks that are within Participant's physical capability, and will not undertake tasks that are beyond Participant's ability;
3. Participant will not participate if under the influence of alcohol or any drug that could impair Participant's physical or mental abilities;
4. Participant is familiar with the safe operation and use of machinery, equipment and tools that Participant may utilize in connection with the Event, and Participant will not undertake the use of any machinery, equipment or tools with which Participant is unfamiliar or do not know how to operate safely;
5. Participant specifically acknowledges that participation in this activity is as a volunteer and not as a City of Livermore, City of Pleasanton, Zone 7, or LARPD employee, agent, official, officer or representative, and further acknowledges that Participant is not entitled to any compensation, benefit or insurance coverage from the City of Livermore, City of Pleasanton, Zone 7, LARPD or any Event promoter or sponsor, nor will Participant make any such claim.

Participant understands and agrees that neither the City of Livermore, City of Pleasanton, Zone 7, LARPD nor any of their respective employees, officers, agents or assigns, (collectively referred to as "Released Parties"), may be held liable or responsible in any way for any injury, death or other damages to me or my family members, heirs or assigns, that may occur as a result of Participant's participation in the Event, or as a result of product liability or the negligence of any party, including Released Parties, whether passive or active.

Participant understands that participation in the Event may involve certain inherent risks, including but not limited to, the risks of possible injury, infection or loss of life as a result of contact with needles, condoms, metal objects, burning embers or other hazardous materials, wild animals, poisonous plants, insects or snakes, or from over-exertion or environmental conditions, including but not limited to flooding, rockslides or dangerous terrain. Despite the risks, Participant still chooses to participate in such activity.

No known physical or health limitation prevents me from safely participating in this Event. In consideration for being allowed to participate, Participant personally assumes all risks, whether foreseen or unforeseen, in connection with the Event of any harm, injury or damage that may befall Participant.

If Participant is injured during the Event, Participant authorizes any physician licensed in California to perform emergency treatment as in his or her sole judgment may be necessary. Participant is over the age of eighteen (18) and legally competent to sign this liability release, or has acquired the written consent of Participant's parent or guardian (see below). Participant understands that the terms herein are contractual and not a mere recital, this instrument is legally binding, and Participant or Participant's parent or guardian has signed this document of their own free act.

FAQ:

Q: Why do you need all this Information about me?!

A: We need some information in case of an emergency (DOB, emergency contact). Other information (ethnicity) helps us learn about who our volunteers are, which in turn helps us build and maintain support for important ecological stewardship work.
